

Membership has its Benefits!

FPA is the voice of psychologists in Florida. We help you advance your career, build important connections, and collectively advocate for the interests of the profession.

Member Discounts on Services

Discounts for credit card payment processors, collections agencies, website development, rental cars, hotels, secure email providers, and more.

FREE Consults with Business Expert, Attorney, & Director of Professional Affairs

Access to industry professionals for answers about the things that concern you most.

Continuing Education Credits

Webinars on topics of high interest to psychologists. These webinars are often FREE to members. The webinars are available later for on-demand learning. Don't miss these valuable learning tools.

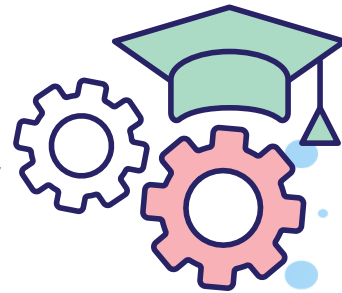

Online Member Community

Access to FPA's online member community, where members can introduce themselves, find colleagues through a member database, and participate in the discussion forums. Individual communities include: Chapters, all members, Early Career Psychologists, Graduate Students, Special Interest Groups, and Committees.

On-Demand Learning Library

Discounts to the On-Demand Learning Library, containing more than 15 presentations on psychology research and interventions.

Find a Psychologist Database

Opportunity to add your name to the *Find a Psychologist* database, where new patients can find practitioners in their area. Searches via zip code, location, name and therapy speciality. Similar to *Psychology Today's* search engine but statewide.

Referrals via Listserv

As a business owner, referrals are a great way to grow your business. FPA receives calls for referrals every day. These are posted in the Chapter community for that particular area. Members also seek referrals for their patients. It's a great way to build your clientele.

Join Our Social Media
